

Deputy Chief Inshore Fisheries and Conservation Officer

Pay: £37,000 with annual progression, subject to performance.
Closing date: on or before 11th August 2017.

Based in Poole, Dorset and responsible for the management of fisheries in the coastal waters of Hampshire, Dorset and the Isle of Wight, Southern Inshore Fisheries and Conservation Authority (IFCA) seeks to lead, champion and manage healthy seas and sustainable fisheries now and for the future.

This is an exciting opportunity for the successful candidate to support and develop the sustainable management of coastal fisheries. With your previous management experience you will engage with a wide variety of stakeholders and will lead the delivery of the IFCA's fisheries management.
